UNITED IS THE WAY

we build a stronger, more resilient community.

UNITED WAY of the Plains

Today, many of our neighbors are working hard to overcome obstacles and get ahead. Together with supporters like you, we are connecting them to the resources they need to reach their potential. From strengthening local resilience to advancing health, youth opportunity, and financial security, no challenge is too big when we work together. **United is the way** we build a stronger future where every neighbor has the opportunity to thrive.

LOOK WHAT WE ACCOMPLISHED TOGETHER LAST YEAR:

HEALTHY COMMUNITY

249,095 times our neighbors accessed nutritious food and quality physical and mental health services through United Way-funded partners to lead healthy, vibrant lives.

YOUTH OPPORTUNITY

10,982 preschool children received free books monthly through the **Imagination Library**, helping them develop fundamental literacy skills before they even start school.

FINANCIAL SECURITY

$8 MILLION in tax refunds were returned to income-limited households through our **Free Tax Filing Services**. Refunds helped clients cover essential expenses while boosting our local economy.

Over **150,000** times Kansans facing crisis and uncertainty were connected to local resources to meet their needs and set them on a path to success through our free, statewide **211 Information and Referral Service**.
