

# UNITED IS THE WAY

Today, many of our neighbors are working hard to overcome barriers and get ahead. Together with supporters like you, we can connect people to the opportunities they need to reach their potential and make our community a place where everyone can thrive. From strengthening local resilience to advancing health, youth opportunity and financial security, no challenge is too big when we work together.

**United is the way we build a better future for everyone:**

## HEALTHY COMMUNITY

Last year, nearly **4,000** of our neighbors saved money on their prescriptions through the **SingleCare Discount Card**, helping them access vital medications with less impact on their budget.

## YOUTH OPPORTUNITY

Last year, **11,615** preschool children received free books monthly through the **Imagination Library**, helping them develop fundamental literacy skills before they even start school.

## FINANCIAL SECURITY

Last year, **\$7.4 MILLION** in tax refunds were returned to low-to-moderate income households through our **Free Tax Filing Services**. Refunds helped clients cover essential expenses while boosting our local economy.

## COMMUNITY RESILIENCE

Last year, **153,001** times Kansans facing crisis and uncertainty were connected to local resources to meet their needs and set them on a path to success through our free, statewide **211 Information and Referral Service**.
